

fusion

behavioral health case goods

fusion

Highly durable, safe and easy to maintain, the Fusion series includes beds, shelving and accessories for patient room spaces that are rotationally molded for maximum durability. That means all units are molded into one continuous, seamless piece of high impact polyethylene to achieve and sustain a consistency of strength.

Features

- Corners and edges are rounded for increased safety
- CalTB 133 compliant
- Stain-resistant, seamless and easy to clean

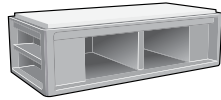

Options

- Custom colors available for larger projects
- Can be bolted to floor or wall
- Bed options include storage compartment and bed riser
