

level[®] certified products

We are pleased to announce that all Stance Healthcare seating products have been level[®] certified to conform to the BIFMA e3 Furniture Sustainability Standard. BIFMA International is the recognized leader in developing standards for the North American office and institutional furniture industry.

Besides addressing indoor air quality, level is a multi-attribute standard that encompasses a broad range of sustainability aspects such as corporate and social responsibility, community outreach, health & safety, energy usage, raw material selection and overall environmental stewardship.

To learn more about level visit www.levelcertified.org, or feel free to contact our Customer Service team at any time. We'd love to hear from you!
